## **FAMILY PRESERVATION SERVICES, INCORPORATED**

To whom it may concern:

I am writing to inform the CPMT team, that effective June 30<sup>th</sup> 2018, I will be stepping down from my seat on the Carroll County CPMT team. It has been an honor and pleasure to serve this local community these past 5 years and truly a position I will forever hold in great esteem.

There are no outstanding issues regarding my status with Family Preservation Services or community issues that are effecting this decision, as I am moving due to a work site change for my wife and will have to relocate based on this move.

I would like to recommend Senior Regional Director Laura Taylor, LPC as the replacement for me on this important committee. She has served with distinction in her tenure with FPS and will be the acting director for FPS in the Galax region starting June 1<sup>st</sup>, 2018.

She comes with a wealth of information that could serve the families and children in our area and has experience working with our services and knowledge of how to best assess and recommend those services based on the needs presented.

Thank you all again for the opportunity and honor to work with such professionals and I know great things will continue to happen in the Carroll County team with you all leading the way!

Sincerely,  
Trent Staton, Resident in Counseling, LMHP-R  
Regional Director
