LATE FEE DEADLINE POLICY - REVIEW

Garrett Nelson & Dylan Morris explained to the Commission that the Recreation Staff had meeting with Steve Truitt, County Administrator concerning the late fee deadline policy. This policy delays staff putting teams together and preparing schedules. Mr. Truitt recommended the Commission pass a Resolution to amend the late fee deadline policy and have one final deadline and create a waiting list after the deadline has expired and if a space is available the child will be put on a team after the fee is paid.

RESOLUTION

Upon motion by Mr. Joyce, seconded by Mr. Mayo and passed unanimously the Carroll County Parks and Recreation Commission passed a resolution to amend the youth sports registration deadline policy. Effective October 1, 2018 the Recreation Department will no longer offer a late fee deadline period. The department will have one final deadline date and after that deadline has expired a child will be placed on a waiting list and if a space is available to complete a team or a child quits Recreation Staff will call in the order the child was placed on the waiting list and put them on a team after the fee is paid.
