

1803 Grayson Turnpike | Wytheville, VA 24382 | 276.223.4476

Dear Valued Customer

We are going to be making changes to the way we collect your trash beginning \_\_\_\_\_ 2019.

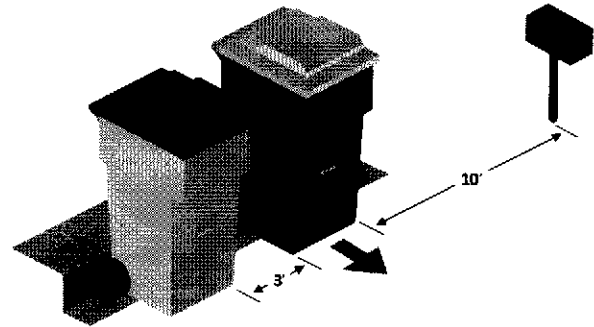

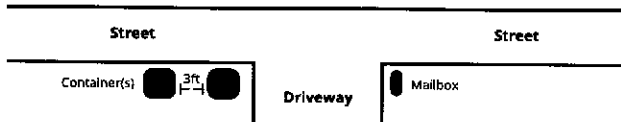

Your trash is going to be picked up with a different kind of truck called an ASL. The reason for the change is safety. Due to the new trash collection process, we ask that you place the can 4ft away from any objects and roadside. Also only use the can that we will be providing for you, at no additional charge. Please make sure all trash is in the provided container. Anything outside of the can will not be picked up.

## HOW TO BEST PLACE YOUR CONTAINER

Container placement is essential to Automated Side Loading. Please remember we don't want to damage your property, so be sure to keep your container AT LEAST 10 feet away from:

- Mail Boxes
- Vehicles
- Street Lights
- Electrical Posts

The container opening must be facing into the street with the handles and wheels facing your home! See below for the best placement of your cart:

**NOTE:** Carts need to be placed at the curb the night before your pick-up day.

Thank you for your cooperation and we greatly appreciate your business.

Sincerely,

Robert Waschler  
General Manager, GFL Environmental
