

MEMO

To: Carroll County Board of Supervisors

From: R. Cellell Dalton

Date: 4-30-20

Subject: Enterprise Zone Requirements

Currently the County offers incentives in the designated Enterprise Zones. I request that the local incentives mirror the State incentives, which require a minimum of 25 new jobs be created, the minimum pay be 175% of minimum wage, and a minimum of \$2,000,000 investment.
