PLEASE INITIAL YOUR CHOICE OF PRODEDURES:

\_\_\_\_\_ 1. The Carroll Co. PSA is requested to turn the water on at the above address. The County is further requested to allow approximately 40 gallons of water to run through the meter. If the meter continues to run and no one is at the residence to verify that no leak exists, the water meter will be turned off.

\_\_\_\_\_ 2. The Carroll Co. PSA is requested to turn the water service on at the above address. The County is requested to allow the meter to run regardless of any leaks. I (we) accept full responsibility for any and all damages incurred at the above listed address and agree to pay in full any charges for water registered as passing through the meter. I (we) will also hold harmless the Carroll Co PSA, its agents and all employees for any damages incurred or any associated costs.

\_\_\_\_\_ 3. The Carroll Co. PSA is requested to turn the water service on at the above address. I (we) agree to be present at the above listed address to insure no leaks exist between 9:00 am and 12:00 noon or 1:00 pm and 3:00 pm on \_\_\_\_\_. Failure on my part to be present at the designated date and time will result in allowing approximately 40 gallons of water to flow through the meter. If a leak is detected at the meter, the water will be turned off and I (we) agree to pay all associated fees to have the water service turned back on.
